

1. IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND THE COMPANY

Product name : Q4 white Remover
 Product description : Liquid cleaning agent on sodium hydroxide base
 Company : Hermadix Coatings B.V., P.O. Box 5, NL-1430 AA Aalsmeer-Holland
 Emergency telephone number : Hermadix Coatings B.V., phone + 31 20 6534125
 Last revision date : January 1st 2010 Version 2.0
 Replaces version of : November 2009 Version 1.0

2. COMPOSITION / INFORMATION ON INGREDIENTS

According to then EC directives, this product must be treated as a preparation.
 Substances according to EC dangerous substances and preparations directives:

Substance:	% w.w.	Symbol	R-phrases:	EC-number
Sodium hydroxide	<2%	C	35	215-185-5

3. HAZARDS IDENTIFICATION

Irritating to the eyes and the skin.

4. FIRST AID MEASURES

General : Corrosive to the eyes, respiratory system and the skin. Consult a physician if there is any doubt or if symptoms last.

EXPOSURE LIMITS

Substance name	MAC ppm:	MAC mg/m ³ :
Sodium hydroxide	-	2 mg/m ³ :

9. PHYSICAL AND CHEMICAL PROPERTIES

- Form of appearance and odour : Colourless to light yellow liquid
- Density : 1,01 g/cm³
- Flash point : n.a.
- PH : 12

10. STABILITY AND REACTIVITY

- Stability : The product is stabile, if stored according to the directions in division seven of this document.
- Conditions to avoid : Avoid exposure to open fire, high temperatures and contact with strong acids or basic agents.
- Hazardous decomposition products : Carbon Monoxide and Carbon Dioxide.

11. TOXICOLOGICAL INFORMATION

There are no known toxilogical data of this preparation and its compounds.

12. ECOLOGICAL INFORMATION

There are no known ecological data of this preparation and its compounds.

13. DISPOSAL CONSIDERATIONS

Dispose the product rests and not empty containers as dangerous waste. In doubt, follow the local regulations.

14. TRANSPORT INFORMATION

- ADR/RID-class : free
- UN number : n.a.

15. REGULATORY INFORMATION

Classification according to the EC substances and preparations directives

Symbol : Xi

Risk sentences : R 36/38 Irritating to the eyes and the skin

Safety sentences : S 1/2 Keep locked up and out of the reach of children.
S 24 Avoid skin contact.
S 26 After contact with the eyes, wash immediately with plenty of water and seek medical advise.
S 36/37/39 Wear suitable protective clothing, gloves and eye/face protection.

Special information : n.a.

16. OTHER INFORMATION

This safety sheet is created according to EEC directives for Safety data sheets. The information in this document should not be used as a guarantee for product characteristics, but only as a description of safety aspects for using and storing the product. All information is based on our present state of knowledge.
